

FIND YOUR STATE.

2018-2019

INTERNATIONAL STUDENTS

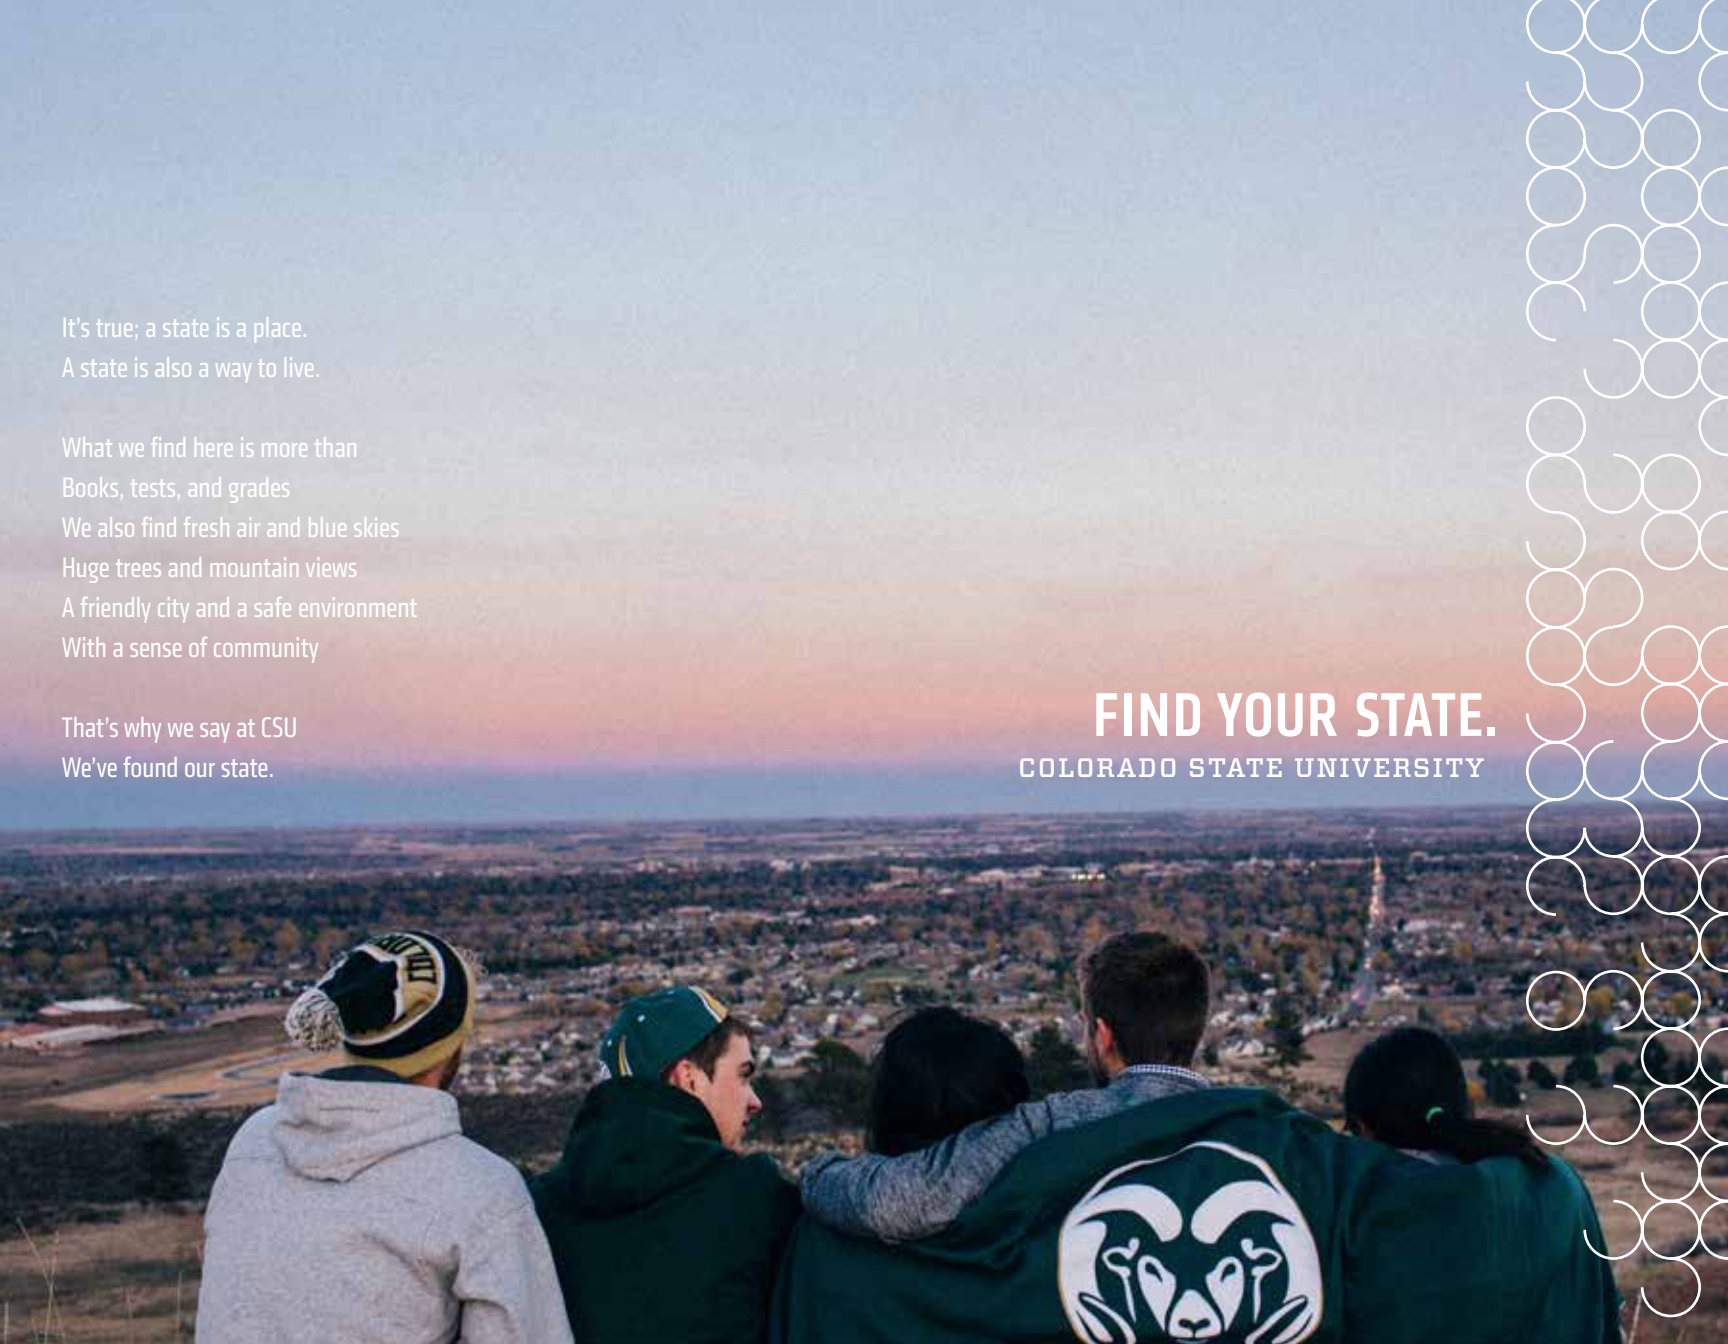

COLORADO STATE UNIVERSITY

It's true; a state is a place.
A state is also a way to live.

What we find here is more than
Books, tests, and grades
We also find fresh air and blue skies
Huge trees and mountain views
A friendly city and a safe environment
With a sense of community

That's why we say at CSU
We've found our state.

FIND YOUR STATE.
COLORADO STATE UNIVERSITY

FORT COLLINS

COLORADO, U.S.A.

There's something about Fort Collins that attracts all of the right elements. The result is a community that blends education and industry, hard work and recreation, tradition and progress. If you're looking for a college experience with the perfect fusion of culture, opportunity and adventure, Fort Collins is where you'll find it.

300+ DAYS OF SUNSHINE

Beautiful weather: Fort Collins enjoys a moderate, four-season climate with 300+ days of sunshine each year.

RANKED BEST PLACES TO LIVE

Low crime rate, clean air and water, and low cost of living make it one of *Money* magazine's top choices for American cities.

POPULATION 170,000

More than 30,000 people have moved to Fort Collins in the last 10 years. They're moving here for a reason.

GETTING HERE IS EASY.

Just an hour away from Denver, Fort Collins is the perfect combination of college town atmosphere and big city access. Add a national park, several classic Colorado towns, and, of course, access to the incredible Rocky Mountains, and you've put together the perfect college experience.

YOU'RE WELCOME AT
COLORADO STATE.
IT'S A PLACE FOR PEOPLE
DOING GREAT THINGS.

28,446
students

CSU has **23,943**
undergraduate students &
4,503 graduate students.

#1

Colorado State earned the distinction of
being the first university in the world to
achieve a platinum rating for sustainability
from the Sustainability Tracking,
Assessment & Ranking System.

SENATOR PAUL SIMON AWARD
FOR OUTSTANDING CAMPUS
INTERNATIONALIZATION

CSU has nearly **2,000** international students
from more than **100** countries and **63** international
or diversity-related clubs.

INTERNATIONAL PRAISE

CSU is on the rise and the world is taking note. Our satisfied international students tell the whole story.

#1

in the U.S. for international student satisfaction for academics and student support.

(International Student Barometer, 2013)

TOP 100 UNIVERSITIES

Colorado State is rated among the top 100 universities in the Americas (Academic Ranking of World Universities, ShanghaiRanking Consultancy, 2014)

CSU is a Carnegie Class I research institution with annual research expenditures topping \$300 million, placing CSU at the very top of American public research universities.

RANKED TOP UNIVERSITY

for strong engineering, technical, and environmental programs
(Fiske Guide, 2014)

YOUR GATEWAY TO COLORADO STATE

The Office of International Programs is your primary resource center at CSU. We provide immigration documents and advising, as well as a wide range of programs to orient international students to life in the U.S. In addition, we partner with the Fort Collins International Center, a volunteer organization, to welcome students to Fort Collins and foster connections with the local community.

LIVING AT COLORADO STATE

RESIDENCE HALLS

All newly admitted first-year students without previous college experience who are single, under 21, and do not live with their parents are required to stay in our residence halls for their first 2 semesters.

Residential learning communities introduce and integrate academic and social learning. Visit us online to learn more about our residential halls.

APARTMENT LIFE

Colorado State students, postdoctoral fellows, and visiting scholars may choose to live in one of the University's apartment communities. With one, two and three bedroom units available, apartment life provides community to a diverse mix of residents from around the world.

Apartments fill up early, so apply early!

For more information visit housing.colostate.edu

CHOOSE YOUR MAJOR. CHOOSE YOUR STATE.

CHOOSE YOUR MAJOR. CHOOSE YOUR STATE.

Find what moves you and we'll help you do the rest. The bold text represents each university department with its programs below. Looking for something more advanced? Graduate departments are indicated by a dark green dot. The light blue dot notes Ph.D. options.

WE'RE IN THIS TOGETHER.

Colorado State doesn't cut corners when it comes to student support. Between our advising staff in the Collaborative for Student Achievement, support from your college, and an academic community that believes working together is a calling, not a requirement, you'll be in good hands.

If you require additional English language support, INTO CSU offers coursework and skill building to help you prepare for your degree program.

THE CAREER CENTER

The Career Center assists students in finding opportunities related to their skills, goals and values, and provides specialized resources and career workshops for international students. These services help students search for and obtain post-graduation placements in the U.S. and abroad.

career.colostate.edu

At CSU, you'll study under professors, collaborate with fellow students, and pursue hands-on experiences that enrich classroom learning. Your major is your path to what comes next.

84
percent

of undergraduates secured employment or continuing education within 6 months of graduation.

95
percent

of CSU graduate students find employment related to their major.

92
percent

of international graduates say they would choose CSU again.

OVER
200

U.S. employers recruit CSU international students for opportunities.

\$49,262

is the average starting salary for CSU undergraduates.

67%

of CSU undergraduate students had an internship.

Unless otherwise noted, statistics shown are a three-year average.

YOUR INVESTMENT TUITION AND EXPENSES

A Colorado State University education is an investment in your future, and we believe that CSU provides students with tremendous value. Your expenses don't just cover classes; they cover an entire college experience that prepares you for your future.

These estimates reflect the cost of attendance for the 2018-2019 academic year.

iss.colostate.edu/estimated-expenses

UNDERGRADUATE	GRADUATE
\$29,884 NON-RESIDENT TUITION	\$27,596 NON-RESIDENT TUITION
\$13,100 LIVING & PERSONAL EXPENSES	\$13,068 LIVING & PERSONAL EXPENSES
\$1,610 HEALTH INSURANCE	\$1,610 HEALTH INSURANCE
\$1,200 BOOKS & SUPPLIES	\$720 BOOKS & SUPPLIES
\$45,794 TOTAL	\$42,994 TOTAL

YOUR OPPORTUNITIES SCHOLARSHIPS AND AID

financialaid.colostate.edu

CSU awards a range of merit-based aid to help students offset the cost of attendance. Financial aid is one tool we use to shape a class with diverse abilities, backgrounds and perspectives.

FIRST-YEAR FRESHMEN MERIT SCHOLARSHIPS NON-RESIDENT FALL 2019

	SAT SCORE* OR ACT SCORE	1330+	1260-1320	1200-1250	GPA ONLY

INTO[®]COLORADO STATE UNIVERSITY

Students needing additional English language and academic preparation can attend INTO CSU.

INTO CSU offers fully integrated academic programs that combine language study, academic skills development and university coursework where you will study alongside American peers in a pathway program in order to transition successfully into a CSU degree program.

- International Year One – All undergraduate majors
- Undergraduate Transfer Program – All undergraduate majors
- Graduate Pathway – Select programs

INTO CSU also offers Academic English, providing English instruction and academic skills preparation for students looking to progress to a CSU degree program or pathway.

INTO CSU is located on campus and offers additional support to help you adapt to US university life, including:

- Personalized academic, language and cultural support
- Conversation Partners programs to practice English outside the classroom
- Social activities
- Test preparation classes
- Global Village learning and living community where International Year One students are brought together with students from the US and around the world
